## FOREIGN BROADCAST INFORMATION SERVICE

William Fleshman and Harold Switzer of the House Appropriations Committee staff visited FBIS and talked with senior FBIS officers in connection with an S&I survey into the Intelligence Community's foreign language programs. They were briefed on FBIS language activities. 25X1 State Department Support Several new requests to FBIS from the State Department for service included messages from the U.S. embassies in Damascus and Beirut as well as from INR asking for materials from Radio Israel broadcasts in Arabic. The Israelis are suspected of conveying a distorted view of U.S. Middle East policy. The Embassy in Ankara has asked for additional FBIS materials on major Soviet developments, and several embassies have indicated an interest in FBIS analysis work on "destabilizing trends" in 25X1 the Arab world. "Soviet Military Power" The Federal Research Division, Library of Congress, requested world media reaction from FBIS to the Defense Department report "Soviet Military Power." Responsive material was supplied to the FRD by courier to meet 25X1 a short deadline. FLASC Activities During September the FBIS Foreign Language Service Center, located at Langley, was heavily involved in German translations for Agency components. West German terrorism, East European economic materials, Warsaw Pact documents, and support for the CI Staff accounted for much

of the effort. Some German material was also translated at NFAC's request

for U.S. Ambassador Arthur Burns.
